Join us for an unforgettable experience during Corrosion 2018

Accurate Corrosion Control will be hosting an event during NACE Corrosion 2018 at The Duce in downtown Phoenix and you're invited.

WHAT THE DUCE?!

...it is what it was... a 1928 warehouse that once anchored a bustling produce district by day... the notorious deuce by night... dice, vice, jazz and other not so good clean fun. Slide open the vintage steel doors and you'll ask yourself, "where the heck am I?!" Belly up to Chicago's original Black Orchid Jazz Club bar for a vintage hand made cocktail and rest your elbows where d' boys once did...Old Blue Eyes, Sammy & Dean...What the duce?!

Come and Get it...Trailer made forgotten but unforgettable dishes reminiscent of MOM's 1960s kitchen...all made from scratch in "DUCHESS"...our 1968 streamline camper using fresh, local & organic ingredients.
